From the Principal's Desk

We have had an awesome first month of school with all kinds of activities starting up. Our intermediate soccer team had lots of fun at their soccer tournament this past week and made it to the finals against Smith where they lost by one goal. Our junior soccer team looks forward to their upcoming tournament on October 5. The cross country team has been practicing daily and their first meet took place on September 26 with their second meet coming up on Oct. 3 and the DSBN meet on Oct. 13. Our annual Terry Fox Run took place on September 23 as all of our students gathered together to continue the work that Terry started many years ago. Thank you to the Laker community as we raised over \$800 for cancer research.

We are very proud of all of our students and staff and how much they have managed to accomplish in such a short time!

We would also like to take this opportunity to welcome a new staff member to Lakeview this month. Mrs. Brown has joined the Lakeview team in the role of Early Childhood Educator in Mrs. Leystra's Kindergarten classroom.

PLAN OF CARE —

Emergency Medical Information Form

Please make sure that the office and your child's teacher are aware of any significant health issues that may be cause for concern throughout the school day. If your child has a significant health issue such as life-threatening allergies (anaphylaxis), asthma, diabetes, epilepsy, or another health condition, please notify the office immediately. Plan of Care forms (Emergency Medical Information forms) are available on our school website., lakeview.dsbm.org or by emailing lav@dsbn.org. Please return the forms to the school as soon as possible. Having this up-to-date information is critical for your child's safety.

Holiday Monday

Enjoy an extra long weekend with your family. Monday, October 10 is Thanksgiving. See you back on October 11!

Arrival & Dismissal Procedures

As you are aware, school zones and parking lots are VERY congested during arrival and dismissal times so it is imperative that we have safety procedures in place. We appreciate your cooperation in helping to ensure the safety of every person during these busy times. The following procedures will be in place:

1. No students will be permitted in the parking lot without an adult. Please do not ask your child to meet you at your vehicle unless you are using the Kiss & Ride lane.
2. In the morning, if you enter the back parking lot between 8:45 and 9:00 a.m., you will be directed into the Kiss & Ride lane and will have to wait in line to leave the parking lot area.
3. There is very limited parking available at the school. Please park in designated spots only. PLEASE NOTE: The area along the west side of the driveway to the parking lot is NOT a parking area. We suggest parking on a side street and walking your child to the crosswalk.
4. Staff are out on duty at 8:45 a.m. so you can drop your child off and carry on with your day. If you are dropping your student off, please use our Kiss & Ride lane. There will be 3 drop-off spaces in front of the entrance gate. Please remain in line and follow the directions of the staff. Be sure that your children are ready to hop out of the car when you stop so that you do not hold up traffic in the parking lot. It is safest if children exit your vehicle on the passenger side only.
5. Children who walk to school even if they are with their parents should cross with the crossing guard and follow the sidewalk around to the back of the school. Students should not be using the front doors to enter the school unless they are late. Please have your child buzz at the front door and wait for one of our secretaries to respond.
6. Please allow your children to go to the school yard by themselves. This is an excellent opportunity for them to develop independence and confidence. When children are dismissed at the end of each day, they may meet younger siblings or you, the parents, in front of the school in front of the Kindergarten courtyard and then use the crosswalk.
7. Please note that supervision begins at 8:45 a.m. in the morning. Students should not be arriving at school prior to supervision time.
