

Lakeview School Council Meeting Minutes

November 8, 2023 @ 6:30 pm, Library

1. Welcome and Call to Order

- Introductions

2. Principal Report - Mrs. McIntee, Mrs. Peck

3. Co-Chair's Report – Bobbi-Ann Garrett, Jeri Dunne

-

4. Fundraising

- Potential to use school logo to create 3D items that could be sold for profit
- Helga
- Mom's pantry fundraiser prior to the holiday season. The sales rep suggested cookie dough was successful for many schools. The company comes for 1 evening to help distribute so that refrigeration is not an issue.
- Paula to connect the sales rep and Bobbi-Ann to see if it is possible to arrange for completion by mid-December
- Dance-a-thon potentially the Friday prior to March Break. Grades assigned times. Arrange a committee to organize the event. Hired a DJ in the past but potential for students or a staff member to play music.
- Potential to look at putting money towards new opportunities for students to interact at break time. E.g. volleyball net

5. New Business

- Create a flyer to share the purpose of the School Council and let people know how they can help. Paula will send the Ministry blurb and once the group has provided input. Jeri will ask her relative to create a draft of the flyer, once everyone has had a chance to input.
- Grade 8 graduation - student input via the grade 8 teachers. Date June 19th. Would like to work with schools who are also using the WNSS auditorium the same week to share costs and work to set up the overall decorations such as plants and balloon arches. Individual schools can supplement the decor with their own colours.
